Governors Welcome Letter

On behalf of the governing body, it gives me great pleasure to welcome your family to Blackmore Primary School.

We have enthusiastic, talented and hardworking children, who are supported in their learning by an outstanding staff team, dedicated governors and very supportive parents. Our values of Respect, Honesty, Tolerance, Generosity and Independence in an established culture permeate the life of our school.

I am privileged to Chair an outstanding governing board. Collectively, our responsibility is to ensure that a high quality of education is being provided, in a safe and nurturing environment. We set the strategic direction of the school, monitor progress and act as 'Advocates of Success', helping the school leadership team to maintain excellent standards, ethos and performance.

The Governors work very closely with the Headteacher, Senior Leadership Team and teaching staff, supporting them in their commitment to providing Blackmore children with the best possible education. We share a common aim for all our children to be 'the best that they can be.'

Blackmore School is a wonderful place and all of us who serve the school as Governors are immensely proud of the achievements of those attending and working at the school.

I would like to thank parents for their interest in supporting and maintaining our strong partnership with the local community.

I hope you find our website informative. If you require any further information, please contact us.

Kind Regards

Peter Snelling – Chair of Governors on behalf of the Governing Body
