

Starting Blackmore Primary School

This is where my
adults will drop me
off every morning.

On the first day Miss Sims
will meet me and my new
friends at the gate and she
will show me the way to
my new classroom.

This is my classroom!

My
Classroom
has lots of
exciting
areas for me
to learn and
play with my
friends.

This is where all the
children will sit for learning
time.

I will have my own animal
to sit on!

These are some different areas of the classroom where I can play with my friends.

I will do lots of learning and playing outside too!

The toilets are right next to the classroom
but I have to let an adult know when I need
to go.

This is where I will eat my lunch. I will sit with all my friends and there will be adults here to help me if I need it.

After I have eaten my lunch, I will play on the field or the playground. I will see lots of children. We can play together!

Once a week I will go swimming!

I will have PE in the hall or on the playground. I will play lots of games with my friends and have lots of fun!

On the field, there is a wildlife garden and pond. It is a lot of fun hunting for minibeasts and spotting pond wildlife!

This is the library.

It is full of lots of amazing books. I will sometimes come here to read stories with my friends.
